Jenny Laidlaw is an illustrator and artist based on the Surf Coast, in Jan Juc, Victoria. Jenny has been drawing and painting for as long as she can remember and she gathers her inspiration from everywhere and anything, including seeing the world through the eyes and imagination of her 3 children.

Her greatest influences are authors and illustrators such as Dr. Suess, Colin Thompson, Robert Ingpen and Leon Pericles.

Her work is whimsical, detailed, happy and vibrant and stirs the imagination of children and adults alike. Jenny's paintings reflect curiosity and wonder and often tell a story.

Jenny also loves encouraging the viewer to be drawn closer to the detail in her artworks....to look more closely and to then be surprised and smile at finding little things they didn't see before.
