

# Transition to Specialty Practice Rehabilitation

**Coordinator:** Education Manager, Rehabilitation and Mental Health

This program enables nursing staff to grow, develop and succeed through enhancing their nursing practice in the specialty of Rehabilitation.

## Eligibility

This program is for new or existing registered or enrolled nurses, who have minimal experience caring for patients in rehabilitation settings. It provides the opportunity for nurses to develop knowledge, confidence and skills and reflect on clinical rehabilitation nursing practice.

- > Applicants must be working in a rehabilitation unit at Epworth HealthCare
- > Registered and enrolled nurses
- > Pre-approval by the applicant's Nurse Unit Manager

## Duration

- > 1 intake April to August
- > Permanent contract, minimum 0.6 to full time
- > 6-month program

## Venue

- > Applications are invited from all rehabilitation sites
- > All study days will be conducted at Epworth Camberwell

## Volume of learning

- > Blended learning model
- > Online self-directed learning
- > Workshops

## Assessment required

- > Clinical hurdles
- > Discussion forums and reflection exercises via eLearning
- > Attendance and participation at all 5 study days
- > Case presentation

## Pre-requisite learning

No prerequisite learning is required.

## Applications

Expressions of Interest (EOI) will be advertised in November.

## Pathway to further study

Those who successfully complete this program may be eligible to proceed with external studies. Epworth supports and assists staff to complete post graduate studies. Epworth staff may be eligible for scholarships through the Epworth Medical Foundation.
