

ABNORMAL UTERINE BLEEDING: Travelling through the Ages

Presented by Dr Anisha Sarkar, Gynaecologist

DATE: TUESDAY 13th SEPTEMBER 2022

TIME: 7.00pm – 8.00pm

OVERVIEW:

This GP education webinar is hosted by Epworth Healthcare and will discuss the following:

- **Heavy menstrual bleeding in adolescence:**
Causes, investigations, treatment options. Understanding the HPO axis. Exploring sensitive issues in young people.
- **Heavy bleeding during the reproductive years:**
Balancing symptom control and fertility.
- **Peri-menopausal bleeding:**
What is normal? Who should we sample?

The presentation will include the opportunity for panel Q&A.

LEARNING OUTCOMES:

1. Identify which investigations to use for young people.
2. Recognise when to consider 'the pill' in adolescent patients.
