

CHRONIC COUGH DIAGNOSIS AND MANAGEMENT

Presented by Dr Ali Aminazad, Respiratory and Sleep Physician

DATE	WEDNESDAY 20TH OF JULY 2022
TIME:	12.00pm – 1.00pm
FORMAT:	CPD Activity Webinar Presentation and interactive discussion

OVERVIEW

During this webinar Dr Ali Aminazad will provide an update on:

- Up to date approaches to cough investigations and its management.
- Definitions of chronic / refractory cough and current treatments available.
- Red flags for GPs and when to refer for specialist care.

LEARNING OUTCOMES

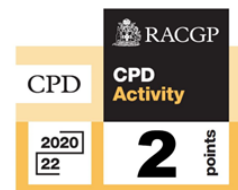

1. Recognise that a systematic approach is the best approach
2. Identify and approach comorbidities concurrently
3. Recognise the most obvious cause of chronic cough
4. Recognise the red flags and when to refer to a specialist
