

Epworth GP Education
ENDOMETRIOSIS UPDATE
WEBINAR PROGRAM

DATE THURSDAY 24TH FEBRUARY 2022

TIME: 7.00pm – 8.15pm

SPEAKER/TOPIC/OVERVIEW:

Speaker 1: Dr Kate Tyson, Gynaecologist

Endometriosis: the early days. Back to basics of symptoms, signs, empirical management and referral. *A review on the management of patients with endometriosis in a general practice setting, as well as discussion on the indications for referral and surgery.*

Speaker 2: Assoc. Prof Martin Healey, Gynaecologist

Dispelling urban myths about endometriosis. *A presentation of the evidence to address various misconceptions in the understanding of endometriosis.*

MODERATOR:

Nikki Campbell, *Endometriosis Nurse Coordinator, Epworth HealthCare*

LEARNING OUTCOMES

1. Discuss the symptoms, appropriate investigations and management options for patients with endometriosis.
2. Apply more evidence based information in counselling women about endometriosis.

INTRODUCING THE JULIA ARGYROU ENDOMETRIOSIS CENTRE AT EPWORTH

At the conclusion of the education component of the webinar, Nikki Campbell, Endometriosis Nurse Coordinator, will provide a brief overview of Epworth's new Julia Argyrou Endometriosis Centre, including how your patient can access this service and other Frequently Asked Questions answered for GPs.
