

Carotid artery disease - A Practical Guide

WEDNESDAY 20th MARCH 2024 | 7.00pm – 8.15pm

Accredited CPD activity | Webinar presentation with Q&A

PRESENTER

Dr Anna Ikponmwosa, Vascular and Endovascular Surgeon

OVERVIEW

Carotid artery stenosis (CAS) is a common condition encountered in general practice. It represents one of the major causes of acute ischaemic stroke, accounting for approximately 20% of cases. This presentation will provide GPs with an update on Carotid Artery Disease, including Q&A and case discussions:

- Aetiology of stroke
- Symptomatic and asymptomatic carotid artery disease
- Evidence based management
- Referral advice and red flags

LEARNING OUTCOMES

1. Review indications for carotid endarterectomy
2. Review referral timings for symptomatic disease
