

Epworth GP Education

OSTEOPOROSIS UPDATE

WEBINAR PROGRAM

DATE WEDNESDAY 2nd MARCH 2022

TIME: 7.00pm – 8.15pm

SPEAKERS/TOPICS

Osteoporosis & Fracture Management

- 1. Osteoporosis in young adults**
Presented by Dr Anna Anderson, Endocrinologist
- 2. Management of osteoporotic fractures**
Presented by Dr Liam Halliday, Orthopaedic Surgeon

OVERVIEW

Dr Anna Anderson will discuss the risk factors for the development of osteoporosis before the age of 50 years, how to investigate these and when to consider treatment.

Dr Liam Halliday will go on to discuss the orthopaedic management of osteoporotic fractures including different surgical techniques. Recognition of osteoporotic and atypical fractures in primary care.

Hosted by Epworth Healthcare, this GP education webinar provides the opportunity for Q&A.

LEARNING OUTCOMES

- 1) Identify individuals at risk of osteoporosis before the age of 50 years and develop strategy for investigation and management
- 2) Understand the different management options available for osteoporotic and atypical fractures
