

## The ABC to Gastroenterology

Thursday, 24 August 2023 | 7pm – 8.15pm

CPD activity | Webinar presentation and interactive discussion

### Presenters & Overview

#### Dr Samuel Hall

##### **An Approach to LFT Abnormalities**

Simple approach to liver function test abnormalities, including common causes and investigations.

#### Dr Julien Schulberg

##### **IBD Pearls**

Case presentations of patients with IBD, explaining diagnostic workups, therapeutic options for management including new advanced therapies and dietary therapy. Monitoring patients in clinical remission.

#### Dr James Winston

##### **Chronic Diarrhoea**

Approach to chronic diarrhoea – including common causes, work-up and management tips.

### Learning outcomes

1. Evaluate a patient with likely new IBD
2. Explain monitoring and preventative medicine strategies to patients with IBD
3. Confidently evaluate and investigate LFT abnormalities.
4. Evaluate and commence management of chronic diarrhoea
