## ERECTILE DYSFUNCTION

### WEBINAR PROGRAM

#### DATE, TIME, LOCATION

Tuesday 08 September 2020, 7.00pm – 8.00pm

Epworth Freemasons, 124 Grey St East Melbourne VIC 3002 – via Zoom Webinar

**SPEAKER** Dr Gideon Blecher, Urologist and Andrologist  
**TITLE** Erectile Dysfunction  
**FORMAT** CPD Activity | Webinar | Presentation and Q&A

#### SESSION OVERVIEW

Dr Gideon Blecher will provide an update on the prevalence and management of erectile dysfunction including appropriate psychological, neurological, vascular and hormonal investigations and approaches. Case studies relevant in a general practice setting will highlight medical management and referral red flags.

#### LEARNING OUTCOMES

1. Outline the different causes of erectile dysfunction
2. Summarise the appropriate treatment options for erectile dysfunction
3. List the potential adverse effects of Intracavernosal agents including reasons for emergency management
