

## Update in the world of Bariatric Surgery

Tuesday, 12 September 2023 | 7pm – 8.15pm

CPD activity | Webinar presentation and interactive discussion

### Presenter

#### Dr George Kalogeropoulos

Mr George Kalogeropoulos is passionate about weight loss surgery, having subspecialised in this following training in Australia and multiple centres in the United Kingdom including Oxford. He performs primary weight loss procedures and complex revisional bariatric surgery both Laparoscopically and Robotically.

### Overview

George will provide an update on the latest trends in Bariatric surgery, the role of anti-obesity drugs and emerging and future procedures.

### Learning outcomes

- 1) Discuss new Bariatric Procedures being performed in the Region
- 2) Explain the role of new anti-obesity drugs in patients who are undergoing Bariatric surgery.
