

# Epworth Leadership Development New Leaders Development Program

Melbourne Business School, The University of Melbourne

## Five-day course at Carlton campus in early 2022

### About the course

Enhance your leadership skills as a new leader. Using a combination of practical tools, one on one coaching, personal reflection and peer discussion, this course will help you boost your self-awareness, confidence and skills to become a more effective leader. You'll learn how to better support your team through increased impact in areas such as team development, conflict management, performance building and growth mindset. You will gain the personal insights and tools that you need to build your personal, team and organisational effectiveness while learning to delegate effectively, lead change with confidence, coach others and set realistic goals.
