# ABOUT OUR SERVICES

## EPWORTH CAMBERWELL

888 TOORAK ROAD  
CAMBERWELL VIC 3124

### ABOUT EPWORTH REHABILITATION

Epworth Rehabilitation applies a unique, interdisciplinary approach to patient care and draws on collaboration, research and innovation to maximise a person's functional ability and help improve their quality of life.

Our interdisciplinary team comprises rehabilitation doctors, nurses and allied health clinicians who work together to tailor and deliver a rehabilitation program suited to your patient's individual goals and personal needs; incorporating elements of physical, cognitive and emotional therapy, as well as educational support.

### REHABILITATION AT EPWORTH CAMBERWELL

The facilities at Epworth Camberwell include two rehabilitation wards with 78 beds, two gyms, a hydrotherapy pool and therapeutic spaces.

Rehabilitation programs at Epworth Camberwell support:

- Musculoskeletal conditions and joint replacement.
- Neurological conditions including Parkinson's disease and stroke.
- Chronic diseases including:
  - Persistent pain
  - Heart failure
  - Respiratory diseases
  - Osteoarthritis
  - Cancer
- Falls, balance and vestibular
- Ageing and reconditioning

### SLEEP STUDIES AT EPWORTH CAMBERWELL

The sleep unit at Epworth Camberwell provides sleep studies to observe and diagnose a wide range of sleep disorders. Services include:

- Continuous Positive Airway Pressure (CPAP) therapy clinic
- Multiple sleep latency testing (daytime testing for excessive day sleepiness)
- Overnight sleep study/Polysomnography (PSG)
- Soundproof, private rooms with ensuite

Free parking is available onsite for all sleep unit patients.
